Testimonial

"We are from Indiana and had to trust in their planners to put everything together from afar (which is nerve racking). But there was NO need to worry because Spinnakers helped to make this an amazing experience. They were always willing to make adjustments on decorations (which ended up beautiful...I highly recommend the decoration package they offer), the set up was lovely, and the atmosphere was upbeat and fun. But what set them FAR above and beyond was their service!!! They kept all other customers out of our area, the food was kept fresh and presentable at all times, and the servers were out of this world. I had multiple guests comment that their glass was never empty for more than 30 seconds. I would tell any bride looking for a fun, energetic wedding and reception to book theirs here!"
